THANK YOU!

Thank you all for your prayers, donations, partnership, words of encouragement, and support!

To the laborers, thank you for capturing the vision and running with your revelation wholeheartedly. May the Lord bless you beyond measure. May the Lord cause His face to shine upon you. May all that you have given, in finances, in time and attention, in physical, emotional, and mental resources be multiplied upon you and your household. May your service in the Kingdom continue to rise as a pleasant fragrance before the Lord Jesus Christ. In Jesus Christ's matchless name...Amen!

EVANGELISM & OUTREACH

*Also, I heard the voice of the Lord, saying: "Whom shall I send, And who will go for Us?"
Then I said, "Here am I! Send me." Isaiah 6:8*

Feeding Chicago's Unhoused Residents

**129
Care Bags
Distributed**

In 2023, Worldlight gave a total of 129 Care Bags to Chicago's homeless; specifically in the Chinatown, Uptown, and Hyde Park neighborhoods. Care Bags contained a tract with a gospel message, a copy of the New Testament's Book of John, water, and food items such as chips and a granola bar. The recent migrant crisis in Chicago also created an increased need for the gospel to be preached.

The team held a special Thanksgiving Outreach Event, where 61 Care Bags were distributed to the homeless. Residents heard the message of the gospel of Jesus Christ and were encouraged to accept Him as their personal Savior.

“Saturday’s in July” - Bible Huddle

“And seeing the multitudes, He went up on a mountain, and when He was seated His disciples came to Him. 2 Then He opened His mouth and taught them, saying:” Matthew 5:1-2

The purpose of the ‘Saturdays in July’ Bible Huddle was to take the gospel directly to the unsaved, to meet them outside the walls of the church.

Each Saturday in July at 10am, Worldlight volunteers gathered at the **same spot** in the middle of Harold Washington Park playground and seating area in Hyde Park, **where all could see them**. Every session began with a prayer and a walk around the park to invite anyone in the park to join the Bible study. The study revolved around the first chapter of the book of John.

Participants came with a lot of questions and received answers as the Holy Spirit led.

Today was full of revelations and excitement at the Bible huddle. The Holy Spirit through John 1:1-3 reminded us that all creation existed through Christ and nothing was made without Him. We were encouraged to develop a deeper connection to the creator of time, season, destiny etc. We have one more week of the Bible huddle, we invite all people to join us at 10 am, July 29th to talk candidly and freely about the word of God.

“We made sure we invited anyone in the park, whether young or old, to join us to study the Word and tell them the reason why we believe. Some were reluctant. But those who joined said they were blessed.”

2023 EVANGELISM & OUTREACH

Continued...

Evangelism at the Chicago Pride Parade & Steps of Faith Evangelism

In 2023, Worldlight volunteers embarked on a new venture, spreading the light of Jesus at the pride parade. The goal was that even if one person would look at the sign, or hear the words, "Jesus Loves You", they would turn and repent and be saved. The participants of the Chicago Pride Parade had varied reactions to this. The evangelism session on that day was impactful and fruitful. Worldlight's strategy was to convey the message of Jesus' love, while holding a sign that read "Real Love = Jesus Died to set us free from sin and Give us eternal life". This approach elicited a range of responses. Some responded with insults. Others offered a simple "God bless you", and some engaged the volunteers in debates. The day was deemed a success as it achieved its objective: to communicate to people that Jesus loves them and that He sacrificed Himself to redeem them from their sins.

Other Evangelism sessions took place as a part of the Step's of Faith Challenges.

Our strategy was to convey the message of Jesus' love.

School Evangelism in Akim Oda, Ghana

Spreading the love of Jesus's to the youth

Elder, Oware Attafuah evangelized to school children at local schools located in Akim Oda, Ghana. Elder Attafuah preached passionately to groups of students of various ages (elementary school and the Junior High School). He encouraged them to commit their ways into God's hands and to give their lives to Christ.

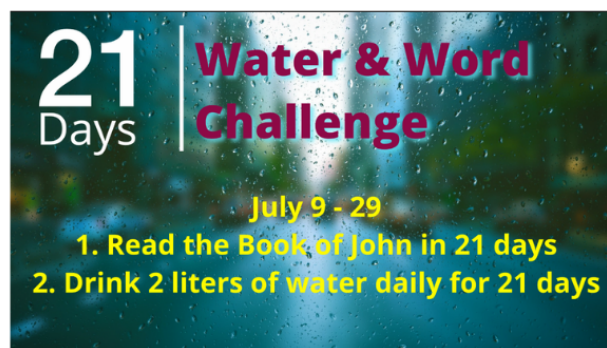

STEPS OF FAITH

The new "Steps of Faith" program encourages healthy living from a Christian perspective and incorporates evidence-based approaches to spiritual, physical, mental and emotional fitness across all ages.

In 2023, Worldlight engaged the community and encouraged healthy living through three unique challenges in 2023. Challenges were designed to address a specific area of health, both spiritual and physical. Each challenge was promoted on social media networks to encourage involvement. During the challenge, the Steps' team published content aimed at encouraging continual involvement and increasing participation. Each advertisement was monitored to track engagement.

1. Word & Water Challenge

1. Positive Reactions: 412
2. Positive Comments: 2
3. Reposts/Retweets/Shares: 25
4. Negative Reactions: 66
5. Negative/Non-Related Comments: 34

2. Word & Water Challenge

3. Daniel Plant-Based Challenge

2. Relevant Comments: 0
3. Reposts/Retweets/Shares: 26
4. Negative Reactions: 6
5. Negative/Non-Related Comments: 7

STEPS OF FAITH

The Evangelism and Exercise challenge received both “positive” and “negative” forms of engagement. The social media ads for this challenge garnered 34 of negative comments, suggesting some level of disapproval of the ads. This may be due to the religious nature of the challenge.

The Water and Word challenge garnered a high number of likes and shares, indicating strong engagement and interest. The lack of positive comments is due to the lack of direct interaction on the social media posts. Similar to the Evangelism and Exercise challenge, there were negative and non-related comments on the social media ads. The reason for this is unclear.

The Daniel Plant-Based challenge received the lowest engagement among the three, with fewer positive reactions and shares compared to the previous challenges. The absence of challenge-related comments indicates a possible need to increase advertisement. The lower number of negative reactions and non-related comments may suggest that the challenge was less controversial as compared to the previous challenges. This could also be due to the fact that this challenge was shorter in duration than previous challenges.

Overall engagement was deemed generally positive, with a significant number of “likes” and “shares” across all challenges. Negative reactions such as in the form of angry emojis and negative comments, were present in varying degrees, possibly due to the religious nature of the challenges. Future challenges will be aimed at increasing in-person engagement.

**Beloved, I pray that in every way you may prosper and enjoy good health,
as your soul also prospers. 3 John 1:2**

SALVATION JOURNEY

*"And they overcame him by the **blood of the Lamb** and by the **word of their testimony**, and they did not love their lives to the death" Revelation 12:11*

The Salvation Journey Docuseries was envisioned in 2019 and birthed in 2022. The aim is to help individuals evangelize by sharing their salvation story. We serve them by creating an interview-documentary of their story. In 2023, the multimedia team recorded Pastor Titus' story believing that this would help many people to realize God's writing in their own life. We believe that every Christian has a journey about how God brought them out of the darkness and into the light and each of our testimonies holds the power to defeat the works of the enemy.

WEEKLY SCRIPTURAL POSTS

Worldlight believes in the power of the scripture to comfort and encourage. The Spirit of Truth, who works in the Word of God is able to bring hope and the light of God into the lives of all. Each week, we post a few verses of scripture as we are led. The 60-second format of the Youtube Shorts, Instagram & Facebook Reels and Stories increases the likelihood of engagement by placing the scripture in a more appealing format. A total of 44 scriptures were posted.

REVELATION HOUR PODCASTS

Revelation Hour Podcasts is a channel that reveals the secret of the kingdom unto people through a wide array of subjects and topics that address every area of life through the Word of God.

In 2023, the revelation hour podcast focused on issues that aren't often addressed in Christian circles. Worldlight co-hosts discussed whether or not modesty should change with times and whether men should be held to a standard of modest dressing. The Token Christian episode addressed how hidden sinful desires of our hearts can cause us to deny The Way of Truth in order to "fit in".

WORLDLIGHT ARTICLES

In conjunction with the Steps of Faith Exercise and Evangelism Challenge, Worldlight released an article about the important lessons we can learn about evangelism from the simply activity of exercise.

The article is available in audio form on the Revelation Hour Podcast channel on podcast platforms.

New Partnerships with

WORLTLIGHT TRUE WORSHIPPERS & THE TALENTS OF THE KINGDOM PROGRAM

Worldlight's TOK exists to develop the gifts of men, women, and children in order for them to serve in the Kingdom of God. The program aims to combine "Show and Tell" with the biblical mandate to "Go and tell" (Mark 16:15). In short, Worldlight's Talents of the Kingdom is evangelism through talent development and mastery.

Worldlight True Worshipers held a month-long music session at Pui Tak Christian School. This wasn't just a music session; it was a learning experience about worshipping God in Spirit and in Truth. Members of True Worshipers taught 5th-10th graders in an after school session and witnessed their growth in understanding true worship and praise. Children sang worship and praise songs while learning practical lessons about worshipping God with music.

The immersion program focused on three areas:

1. Understanding True & Godly Worship
2. Technical Skills
3. Practicing Worship & Praise

Worldlight Revival Ministries International True Worshipers Workshop instructors came to Pui Tak Christian School's After School Program and did a remarkable job sharing about worship with the after school students. The students learned of worship as the instructors; Alfreda and Lillian shared and enhanced the students knowledge of worship. The instruction through song that Alfreda and Lillian shared with their melodic voices was inspirational!

In 2023, Worldlight received 14 unique drawings by Children from Chicago, IL, Bronx, NY, and Akim Oda, Ghana. There were also a few anonymous submissions.
